

Blessed Sacrament Parish

October 1, 2010

Dear Servers,

Thank you for your continued service to our parish. We are constantly amazed by the number of committed servers we have at our parish. It's a great blessing.

Please note that we have several new servers during this next schedule. Please be sure to be there. The schedule is set up so that there is experience in every Mass. If you cannot be there for your scheduled time, please be sure to get a seasoned replacement if there are already new servers. Because we have so many new servers, some Masses have more than one person who is new.

We had several changes of Mass times during this schedule. We have also had a couple of servers who have served graciously for several years decide not to serve. We truly appreciate their years of service and wish them well. That being said, we have tried very hard to accommodate everyone in the schedule. Having so many people involved in different ministries is a good challenge to have. Please forgive us if we have scheduled incorrectly. If that has happened, please let us know, and we'll try to help with replacements.

Christmas will be here before we know it. If you'd like to be scheduled for a certain Mass for Christmas, please let us know. Last year the Masses were:

Christmas Eve 5:00 children's mass and I believe 7:00/7:30
Christmas 10:00am

Remember, with Christmas falling on a Saturday, we'll need regular masses that weekend as well.

Again, thank you for all you do.
