Spend the afternoon turning your family into a family of creative birds while enjoying cookies and milk! Parents choose between one or two 12x12 canvases (both parents on one canvas for \$20 or each parent paints their own 12x12 canvas for \$15 each). Each child gets an 8x8 canvas to paint a personal bird!

You will be guided step-by-step in creating your own, one-of-a-kind family of birds! I will provide a variety of paint colors for your family to select for your background color, Each person can select a favorite bird template and paint colors for the personal bird. The class is taught by Rebecca Cantley with Art for Missions. If you have any additional questions, please email me at artformissions@yahoo.com or visit www.artformissions.webs.com.
